Press Release

Litfolio available for affordable online document review and case management

Phoenix AZ, April 16th, 2009: litfolio is the most affordable and intuitive web based review tool that combines essential features for case management and document management. Easily collaborate with anyone across the world with any number of documents including paper documents, emails, digital documents, native file documents and transcripts. litfolio will handle your everyday needs at a cost much less than other programs because we utilize Software as a Service (SaaS) fees so you don't pay for what you don't use. Printfolio and Scanfolio complete the team by allowing individuals to scan or send documents, emails, native files and transcripts directly to litfolio quickly and easily. That means items are able to be reviewed in litfolio without any downtime. litfolio is the result of creative development driven by the legal department's daily needs. Whether you need to handle document review and coding, review daily mail and filings, or update your calendar, tasks and contacts, litfolio is the answer. For more information or to request a free 30 day demo, please contact Matt Horn matt.horn@litfolio.com | 888.549.4449 | www.litfolio.com
